# What are some of the goals of HHSAF?

- \*Assisting graduating Hicksville High School Seniors in achieving their dreams and career goals through the awarding of scholarships to college and trade schools.
- \*Promoting partnership relationships between alumni, community and business leaders as well as Hicksville School District Board Members, Administrators and Professional Education Staff for the direct benefit of the youth of the Hicksville Community.
- \*Raising funds to support the needs of Hicksville High School clubs and district-wide programs which can't be funded by limited tax levied money
- \*Recognizing the reality of poverty growing among a segment of Hicksville families, to provide funds with the guidance and confidentiality of the high school guidance department to 'dress for success' seniors going on job interviews & internships. Also provide warm clothing during winter months as well as school supplies to ensure more successful studies.
- \*Encouraging Hicksville High School Alumni to 'pay it forward' by becoming mentors for high school students so they can explore potential career opportunities under the guidance of alumni already engaged in those specific careers especially for those students who don't see themselves going to college.

# Why is it Important that You Consider Joining HHSAF?

- Do you have fond memories growing up in Hicksville and attending its public schools?
- Were there adult individuals in the Hicksville Public Schools who made a significant impact years ago on you as an adolescent and would you like to have an opportunity now to be a positive influence on the current youth of Hicksville?
- Do you care about improving the lives of Hicksville Public Schools' current students and helping them achieve successful careers as future adults?
- Do you have a business here in the Hicksville area and would like to give back to its community and youngsters?

## Help Support HHSAF's Mission by

- Donating Money in Honor of Someone
- Creating a Scholarship for a Specific Award or for a particular graduating senior
- Creating an opportunity for a paid or unpaid internship
- Donating money so HHS guidance department can anonymously assist Hicksville Public School families struggling with poverty issues
- Donating a Raffle Prize and/or Selling Raffle Tickets for our next fundraising event
- Becoming a mentor

# **In Memory of Robert “Buffalo Bob” Casale**

## **Long Time Editor of HixNews.com**

Bob Casale could easily be called “Mr. Hicksville” due directly to his deep love of Hicksville and the graduates of Hicksville High School. Bob was the long-time editor of the online monthly newsletter known as HixNews.com which provided former residents of Hicksville with numerous opportunities to re-connect with the community even though they now lived thousands of miles away.

HixNews.com is a monthly online storehouse of information that details the events in the lives of Hicksville High School alumni such as their travels around the country and world as well as celebration of birthdays, anniversaries, and sad announcements of classmates who had passed on.

If Bob knew your birthday or anniversary, you could expect an online greeting to show up in your email. If a class reunion took place and members sent him pictures, Bob created a video of that event. He created for alumni fond memories of growing up in Hicksville and if you were looking for a former classmate, he tried his best to bring old friends back together again.

HixNews.com was Bob’s passion and he brought happiness to thousands of subscribers each month. Old and New pictures of Hicksville throughout the years were published and HHS alumni could reminisce about decades past growing up in this wonderful community.

Bob was a navy veteran, having served our nation for 10 years and left as a first class petty officer. He was one of the founders of Liberty Plumbing and Heating Supply, Inc., retiring from this Hicksville company in 2008.

Rest in Peace, Bob and sincere thanks for your service to the Hicksville community and the high school you loved so much.

***It takes a collaboration of dedicated people such as educators, school board members, parents & alumni to help HHS youth succeed in their adult lives.***

*The Board Members of the Hicksville High Alumni Foundation wish to express its sincere appreciation to the following individuals who donate their time and expertise to insure that this fundraising concert succeeded*

Mr. Chad Wyman, Fine Arts Supervisor for Hicksville Public Schools for encouraging his teachers within his department to actively participate in the success of this concert including having numerous talented HHS students donate their time to this endeavor. Mrs. Jennifer Weiss and Mr. Jonathan Shmuel for rehearsing and encouraging their student musicians to join on stage Dr. K's professional band members. Thanks to Dr. K (Paul Korman, HHS class of 1969) for donating his time to rehearse with these talented students.

Mr. Adam Clive and his student Video Production Crew for the lighting and sound work tonight at this concert as well as the creation of a professional video that the HHSAF can later sell to alumni who couldn't personally attend this concert tonight.

Ms. Renee Andolina, HHS Art Teacher for encouraging her very talented art students to create the beautiful promotional advertising posters seen throughout this attractive playbill. It must be acknowledged that Ms. Andolina was totally responsible for the beauty of this playbill and HHSAF board is truly indebted to her for the countless hours and artistic skills she contributed to the final version that you see here now.
